Customer Reviews

My 12 month old son loves this book. He likes rolling it across the floor as a tractor, playing with the wheels, and reading it as well.

My 1yo grandson really likes this book. It combines two of his favorite things: a board book and wheels. I like that it entertains him without being noisy so we can take it to church.

I REALLY liked this book-and more to the point so did my grandson, who is fascinated by wheels It was new and as described. fast shipping

My grandson is a John Deere lover so this book was just right for his age ...Book is colorful and fun to read
