Miracle On 49th Street

Synopsis

From the #1 New York Times bestselling author of *Heat*, *Travel Team* and *Million-Dollar Throw*. Josh Cameron is MVP of the championship Boston Celtics and a media darling with a spotless reputation. He has it all . . . including a daughter he never knew. When twelve-year-old Molly Parker arrives in his life, claiming to be his daughter, she catches him off guard. Molly says her mom, Jen, revealed his identity before losing her battle with cancer. Josh isn't so sure about this girl—she must be trying to scam him for his money. Still, there's something about Molly that reminds him so much of Jen. But as Molly gets to know the real Josh, the one the camera never sees, she starts to understand why her mother never wanted her to know her dad. Josh has room in his heart for only two things: basketball and himself. Does Molly really want this man for a father? Together, these two strangers learn that sometimes, for things to end up the way you want them to, you have to fire up a prayer at the buzzer and hope it goes in.

Customer Reviews

The clock is running down as Josh Cameron makes a move on his guy. He jukes him out, squares up and shoots. He makes the basket and the crowd goes wild. The refs had to review the play because they didn't know if the ball left his hand before the buzzer or not. Would they win the game

or not? Read *Miracle on 49th Street* if you want to know if it left his hand or not before the buzzer. Molly, the main character, told her caretaker she was going to her best friend Sam's house after school. Instead, she went to the Celtic's gym to find Josh Cameron, the basketball superstar. Just before her mom passed away, Molly was told some interesting information about her dad she did not know. She was told Josh was her dad. Molly told Josh that day in the parking lot after practice that he was her dad. Josh said, "I'm not your dad." Sadly, Molly said, "Yes, you are. The part I liked the best in this book was when Molly showed up the NBA superstar L.J. Brown. After practice, L.J. came over to Molly and said, "Okay, Miss Miss, Let's see how much game you brought today." Molly went on the court and dribbled for a little bit, then went up and layed it in. Molly dribbled back out and L.J. came in as a prop to make Molly look good. Molly drove in and created space by bumping into L.J. Great play! Even though I usually don't like to watch movies, I think this book would become a great movie. This book is written by Mike Lupica a #1 New York Times best selling author so people might have read some of his other books. If people like the books, they probably want to watch the movie so that they can see the characters come to life.
