Customer Reviews

I love it, it will perfect for my granddaughter to have it filled out to remember her special day by all the important people who celebrate this day with her.

This book is very nice; however, I was expecting some plain pages for photos as there aren't any. My niece was happy to receive this.

Well written and lovely account of a child's First Communion. there is a place for friends and relatives to sign and also a record of gifts that were received for the occasion. I gave one to each one of my grandchildren on their special day
