Title: The World's Greatest Collection of Clean Jokes Author: Bob Phillips Publisher: Harvest House Publishers ISBN: 978-0-7369-4848-7

"Enjoy this crazy (and clean!) collection of puns, jests, and quips. Time and time again, you'll smile, giggle, and laugh at the wonderful and wacky jokes inside."

• the back jacket cover announces in Bob Phillips's book, "The World's Greatest Collection of Clean Jokes." This small, pocket-sized paperback contains one hundred and twelve pages targeting those who enjoy jokes, especially clean ones. With no profanity, lewdness, or adult situations, this book written to make readers laugh will delight both young and old. Author of over one hundred inspirational, Scripture referenced, or humorous stories, he includes one liner jokes along with small short stories that are less than a page long. After an introduction (of course, including a couple jokes), there are nineteen chapters devoted to different

themes. Themes range from Biblical characters and stories to churches, preachers, and Sunday school, as well as airplanes, the army, being bald, boys and girls, cannibals, education, family, famous last words, food, getting older, and golf. The mishmash collection has no index to quickly look up a topic. Here are some samples of random jokes: Adam was created first to give him a chance to say something. Things are so bad in our town that the police department has an unlisted telephone number. He meets a man of polish mostly around his head. What man in the Bible had no parents? Joshua, the son of Nun. My girlfriend takes advantage of me. What do you mean? I invited her out to dinner, and she asked me if she could bring a date! Then there's a missionary the cannibal couldn't boil. He was a friar. A minister asked a little girl what she thought of her first church service. The music was nice, she said, But the commercial was too long. People who cough incessantly never seem to go to a doctor they go to banquets, concerts, and church. When she meets another egoist, it's me and I for an I. What is more blessed to give than receive? Advice. The hardest decision in life is when to start middle age. Although corny or silly at times, this book is a good source when in need of a clean joke that can be easily quoted to a small or large audience without offending anyone. With brightening one's day by humor, Phillips easily accomplishes the goal. Thanks to Harvest House Publishers for furnishing this book in exchange for a review of the reader's honest opinion.

Funny AND CLEAN jokes. What a wonderful book. We have given it to a niece, sister, and grandchildren. Of course, we have read it ourselves too. Excellent entertainment.

I gave this book to my 90 year old father who loves to make people laugh. He really liked it.

Almost rated 3 stars. Not bad. A little better than average.

Got this book for my 92 year old Dad - He loved it!

Clean jokes. Can be read by kids too. Humorous.

Very well received by the dear folks in my mom's Memory Care unit. Except one wise guy, who asked me why I didn't get a book of Dirty Jokes.

It is okay, not as good as I hoped, but I am using it until I find something better. Joyce Jean Jones Brown
