## Customer Reviews

This is absolutely the best cross cultural children's book I have ever seen. My son in law is a big Bob Marley fan and he saw the book on Facebook. I ordered for my newborn grand daughter Marley and I was delighted. It is bright and cheerful and positive and has the most engaging illustrations. I ended up buying copies for several young children and new babies on my gift list. It is now my kids gift of choice. Can't go wrong with this. "One Love, one heart, let's get together and feel all right! "

Yes, it's that song and it's been reworked by that songwriter's daughter (take a second look at her last name if you think I joke.) Like some of the more popular songs of the Beatles, this one is both trite and profound in its simplicity. The illustrations are brilliantly colored and that lifts the song a bit out of its jarring repetition. "One love, one heart, let's get together and feel all right!"

This book is fantastic! The pictures are great, and paired with Bob Marley's lyrics this book delivers a great message for all children. If your child is a fan of the song, they will be fascinated by how the illustrated story pairs with the lyrics. If not, why not?! It is a great introduction to the song, though, and really gives a visual to smaller listeners/readers. Great for Bob Marley fans and a very welcome book to our collection!

I love how the lyrics change depending on the picture you put with them, in this case to make a nice story about community. I enjoyed the illustrations as well. I wish the story had been clearer in the pictures. My children failed to see how each action begot the next action in the story until I explained it. That said, it fit right into the ongoing conversation we've been having lately about planting seeds and paying it forward and love multiplying and so on.

it's ok - I am doing a 'love that surrounds us' theme and decided to tie in bob marley. I bought this and EVERY LITTLE THING. it's ok - pretty much the song. best geared for pre-schoolers. like that bob Marley's daughter wrote it...

This book has been great for talking about friendship, kindness, communities, taking care of the earth, empathy, etc. VERY colorful illustrations, and my students and I love the rainbow of skin colors used throughout!

This book is sooo cute!! My two year old son absolutely loves it. The story line of the books is the actual lyrics from the "one love" song. The illustrations are so colorful, vibrant, and uplifting. My son loves the pictures. I feel like the book captures the essence of the song.

The book is beautiful, the message is beautiful, but it would be 5 stars if it came with a CD of this version of the song! They have a great start with the preview video, so why not do the whole book in song and make it available? Even a download after the fact would be fantastic!
