Miracle In Music City (Faithgirlz / Glimmer Girls)

Synopsis

In this third title in the Faithgirlz Glimmer Girls series by Natalie Grant, *Miracle in Music City*, the Glimmer Girls are at it again—looking for a mystery to solve. Gloria wants her daughters to learn they aren't too young to make a difference, so she gets them involved in her annual benefit and auction. But as things often do with the trio of smart and sassy sisters, they get themselves and their nanny Miss Julia involved in a lot more than just helping mom raise money for a worthy and wonderful cause.

Customer Reviews

In this third title in the Faithgirlz Glimmer Girls series by Natalie Grant, *Miracle in Music City*, the Glimmer Girls are at it again—looking for a mystery to solve. Gloria wants her daughters to learn they aren't too young to make a difference, so she gets them involved in her annual benefit and auction. But as things often do with the trio of smart and sassy sisters, they get themselves and their nanny Miss Julia involved in a lot more than just helping mom raise money for a worthy and wonderful cause. Hailee has been waiting to read the third book and was happy to get the chance. She is 10 and really enjoys the series. She wishes there were more. I love how the book deals with real life issues and how to handle them. Sometimes young girls need some

adventure!The book is very affordable and a great addition to your tweens library!

Miracle in Music City by Natalie Grant is a fantastic book for young girls! My daughter loves the Faithgirlz Glimmer Girls series by Natalie Grant and this third title sure doesn't disappoint. I think it took her about 2 days to read the entire book because she just couldn't put it down. I love that Miracle in Music City by Natalie Grant contains a trio of smart and sassy sisters because I just happen to have 3 girls who are also quite smart and a little sassy at times. I think it's one of the reasons my daughter loves this book but she also loves a little mystery so Miracle in Music City is right up her alley. Miracle in Music City by Natalie Grant is full of adventure, mystery and fun and is sure to entertain! Disclosure: I received product(s) for free, in exchange for my honest review. I only recommend products I've used personally, and believe will be good fit for consumers.

This is the first book that I have read in this series and it will not be the last! As soon as this arrived in the mail my daughter was reading it; she was immediately hooked, so after she was asleep I sat down to check it out and was thrilled with it! This is the perfect book and series for girls - it is filled with loveable and relatable characters with fun storylines and also great lessons and morals shared throughout it. I do not have to worry about my daughter reading "trash" as this is completely age appropriate and a good clean book. As an added bonus, I found the book to be enjoyable as well and something else that I could talk about with my daughter and also discuss how she can make a difference at her young age.*Thanks to the BookLook Bloggers Program for the complimentary copy of this book in exchange for a honest review.*

Miracle in Music City is the third book in the Faithgirlz Glimmer Girls Series by Natalie Grant. (London Art Chase and A Dolphin Wish are the first two books in the series.)Because Miracle in Music City is a "tween" book, I am going to hand this over to my daughter for the review (*spoilers included*):Miracle in Music City is about three girls who, together, solve a mystery. Gloria Glimmer, their mother, wants them to learn that you are never too young to make a difference, so when she is invited to sing at an auction being held at The Grand 'Ole Opry, they take it as their chance to help. Their teacher, Mrs. Carpenter, donated an old guitar to the auction. She told the girls that it belonged to Earl Eldridge Jr., a famous singer that happened to be her great-grandfather. The girls spend time at the local soup kitchen and make a friend, but soon afterward, the famous guitar goes missing! The girls work together to return the guitar, and they also donate some clothes, toys, and books to their new friend. They all learn what true friendship is.I asked my daughter a few questions

about Miracle in Music City - here they are with her responses: Was the book interesting? Yes. Do you plan to read it again? Yes. What did you like about this book? I liked the story better than the mystery in this one. What (if anything) did you NOT like about this book? I didn't like how the book was mostly a story, not a mystery. The guitar was only gone for a short time, so there wasn't much mystery. Would you recommend this book to others your age? No. What ages do you think would enjoy this book best? 8 to 10. Any other comments about this book? No. Out of a total of 5 possible stars, what would you rate this book? 4 stars. The Glimmer Girls series by Natalie Grant is a great option for tween readers, and I know my daughter is looking forward to the third book in the series (The Miracle in Music City) being released later in 2016. FTC Declaration: The publisher has provided me with a complimentary copy of this book or advanced reading copy. This does not change the fact that I will give my honest opinion in my reviews.
