ISBN-10: 0736862102

ISBN-13: 978-0736862103

Product Dimensions: 6.7 x 0.1 x 8.8 inches

Shipping Weight: 12.6 ounces (View shipping rates and policies)

Average Customer Review: 3.5 out of 5 stars Â See all reviews (8 customer reviews)

Best Sellers Rank: #101,480 in Books (See Top 100 in Books)   #73 in Books > Children's Books > Education & Reference > History > United States > Colonial & Revolutionary

Age Range: 8 - 14 years

Grade Level: 3 - 4

Customer Reviews

The content of the book was great! I used the book with my fourth grade class as we talked about Jamestown. The students enjoyed reading the graphic novel.The bad part is the books will fall apart within the first few times they are used. On the second day of using the book the majority of the pages were falling out, not from one but from all the books. I have had to tape the pages back into every book I ordered.

Like the other reviewer, I teach ESOL (high school age) students. And like that other reviewer, I find this series very useful. It's not dumbed down -- it's solid enough to hold the interest of a teenager -- and it's good at grabbing the interest of people who might not have a deep interest in US history. Very useful take on the beginnings of British colonies in America.

The content of this Graphic Library series is perfect for ESL/EFL. My students find them very interesting. Unfortunately, the paperbacks in this series do not hold up. Some magazines can last a

year under heavy, but careful use. These paperbacks can only be read a handful of times before they fall apart. I'd be willing to shell out a little more for something more durable, but the library binding is too expensive for such a short book.

This is a good graphic historical book on the story of Jamestown. I find it very useful in my teaching to use these books. I teach ESOL students who are learning to read English at the same time they have to take American History. These books help clarify and visualize what the teachers are talking about. They help.
