## Customer Reviews

Even babies can learn about their state, right? With this board book you can introduce your baby to many Texas icons....longhorn cattle, boots and cowboy hats, and the Texas shape. You'll also find the Alamo and River Walk in Texas Baby by Jerome Pohlen and art by Violet Lemay. Besides reading the book you can do a few little activities with your child. These activity ideas are included in the back of the book. For example, it has hidden numbers to find, ABC identification, shapes to find in the book, etc. I received a copy of this book from the publisher for my honest review. Thank you.
