Grade Level: 3 - 7

Customer Reviews

My son played in youth baseball in our local community throughout his entire childhood. Several youth baseball teams competed through the regular baseball season. Then, there was a day of reckoning. It was a day that the best teams went on to participate in the Sectional Competition. The experience was exhilarating for many little league players. Likewise, State Show-Down is that kind of a story. Carter Jones and his all-star teammates are moving on to play in the Sectional competition while at the same time his cousin, Liam McGrath, has to adjust to working with a rival-turned teammate. It's another fast-paced baseball story by Matt Christopher that baseball fanatics can't stop reading. The play-by-play action will put any reader into the shoes of all those boys playing baseball and feeling the pulse of every move on the playing field. Marin P. Ferguson, author of BOYS ON THE GOLD COAST.

Please note that "State Showdown" is the third book in the series - the header that has on the site

is incorrect. The books in order are: Play Ball District Doubleheader State Showdown Perfect Game World Series I had purchased District Doubleheader thinking it was the first book in the series but didn't realize that it was the second book until I received it in the mail. So now I'm back to purchase the first book so my son can start reading. He is very excited about these books.

Our 11 year old grandson LOVED this book. He has read all of the Little League series books by Matt Christopher and is now "patiently" waiting for the next book to be released. When he finishes one book he immediately calls and requests the next one which we happily order for him.

Can't wait for the next one to come out! It's going to be really good! I play All-Stars in Little league and it's exactly like it! Go TO Bulldogs

love the series #mattchristopher needs to make more of these awesome books. I recommend this book to anyone who loves baseball.

Great book keeps wanting to read more and more. Suppose you have to read 30 minutes a day I ended up reading almost 2 hours!!

Just a very addicting book and sport series you make and I also read the old books of your different series of all sports
