Encounters With Jesus: Unexpected Answers To Life's Biggest Questions

Synopsis

New York Times's bestselling author of *The Songs of Jesus* Timothy Keller explores how people are changed by meeting Jesus personally—and how we can be changed encountering him today. The people who met Jesus Christ in person faced the same big life questions we face today. Like most of us, the answers handed down to them didn't seem to work in the real world. But when they met Jesus, things started to change immediately for them. It seems he not only had the answers—he was the answer. In *Encounters with Jesus*, Timothy Keller shows how the central events and meetings in Jesus's life can change our own lives forever.

The foundation for the writing of this book was laid when Tim Keller was in college. He had recently come into a personal relationship with Christ and learned how to study the Bible guided by a book entitled *Conversations with Jesus Christ from the Gospel of John* by Marilyn Kunz and Catherine Schell. In close proximity to this study he learned how to read and study the Bible inductively. He attended a conference for Bible study leaders where one of the instructors had each student take 30 minutes to make 30 observations from Mark 1:17, "And Jesus said to them, "Follow me, and I will make you fishers of men." In the first 10 minutes he thought he wrote down everything he had observed about the surrounding passage from the text. However, the gold was mined in minutes 20-30. It was through the patient and inductive wrestling with the text where the gold was found. In this book of encounters with Jesus Tim Keller mines spiritual gold. The first five chapters are based

on talks given by Keller to students “ most of whom were spiritual skeptics “ at the Town Hall in Oxford, England in 2012. These first five chapters reveal the foundational teachings of Christianity and the astonishing character of Jesus in particular as he encounters Nathanael, the Samaritan Woman and a Pharisee, Mary and Martha, Guests at a Wedding Party, and Mary Magdalene. In each of these encounters important questions are addressed to and by Jesus and one learns how to read the Scriptures copiously and glean the answers to life’s greatest questions. Questions such as: What is the world for? What’s wrong with the world? Can anything or person make the world right? How can we be part of the solution to making the world right?

It’s popular today to hear people say, “You believe what you believe but I don’t believe that”. When you ask people to elaborate on what they believe and why they believe it, you are likely to get them to state something to the effect of “I feel this way”. Are our beliefs based on only on our feelings? Moreover, many people also state that religion is private and doesn’t need to be shared publically. Others earnestly contend that Jesus is just another religious teacher or prophet. So who is Jesus and what has He come to do? Does it even matter if we believe in Jesus at all? The historical Christian answer to that question is it does matter. It matters because Jesus came as the God-man to live a sinless life, to bleed, to die, to rise, ascend, and serve as the Mediator of the New Covenant, Intercessor, and High Priest of His people. Since all of that matters what could be better than a book that tackles not only what our culture is saying about Jesus, but also what Jesus Himself said. Dr. Tim Keller’s book Encounters with Jesus: Unexpected Answers to Life’s Biggest Questions, tackles these important questions. Encounters with Jesus is essentially a collection of ten encounters of Jesus with people in the Gospels. As Dr. Keller examines these encounters, he takes both a wide and narrow lens. With a wide lens, he zooms out to see what the culture is saying about Jesus. On the narrow lens, Keller takes us into the world of the Bible. The combination of understanding what people are saying about Jesus and what Jesus Himself has said is a potent and explosive formula that will help both Christian and skeptics better understand the work of Jesus.

** This review originally appeared on longing4truth.com **Tim Keller has established himself as one of the top evangelical writers of today, especially in writing to an audience of skeptics and unbelievers. He has been given a unique gift and ability to interact with the intelligent skeptics on their level, which is most clearly seen in his bestseller, The Reason for God. Because of his church’s placement in the middle of Manhattan, surrounded by the young, intellectual-type, Keller

has honed his ability to interact on their level with the truths of Scripture and Christianity. In his new book, *Encounters with Jesus: Unexpected Answers to Life's Biggest Questions*, Keller is at it again. The book comes out of two series of lectures that Keller presented a couple of years ago. The first series of lectures was given at an Oxford Town Hall in Oxford, England in 2012. Over 5 nights, Keller spoke to a group of students – most of them skeptics – on the various encounters that individuals had with Jesus in the Gospel of John (xii). These make up the first 5 chapters of the book, where in each chapter Keller looks at a different interaction that Jesus had with people in John. These include the conversation (1) with Nathaniel in John 1; (2) with Nicodemus and the Samaritan woman in John 3-4; (3) with Mary and Martha in John 11; (4) with Mary, Jesus' mother, in John 2; and (5) with Mary Magdalene in John 20. In each of the five conversations, Keller looks at a different fundamental life-question that Jesus is addressing in his conversation with the individual.

Chapter 1 - Where should we look for answers to the big questions of life? Where shouldn't we look for answers?
Chapter 2 - What is wrong with the world the way it is?
