John Henry Newman: A Biography (Oxford Lives)

Synopsis

The first comprehensive biography of the great religious leader John Henry Newman (1801-90), this compelling and well-written volume draws on a number of published and unpublished sources to examine his extraordinarily varied life and career. Ker stresses the complexity of Newman's character and the range of his achievement as major prose writer, dominant religious leader who anticipated the Second Vatican Council and the modern ecumenical movement, and universal Christian thinker, whose significance transcends his culture and time.

Book Information

Series: Oxford lives

Paperback: 784 pages

Publisher: Oxford University Press; New edition edition (July 12, 1990)

Customer Reviews

Not often does one find a 700 page book that is hard to put down. Ker is an amazing scholar. I feel I must reread this and underline so much wisdom. Newman's spiritual journey is conveyed in his own perceptive view of his life as it was transformed by his integrity and hard-liner search for truth.

A first rate intellectual biography of a major figure in the religious debates of our times. Thank you Ian Ker.
