# Mi Hermano Tiene Autismo: My Brother Is Autistic, Spanish Language Edition (Hablemos De Esto) (Spanish Edition)

## Synopsis

The sensitively written Let's Talk About It Books™ encourage preschool-age and early-grades children to explore their feelings, deal with problems that trouble them, and understand others who have problems of their own. Each title speaks to a particular concern that children might encounter in the course of growing up. All books in this series have appealing color illustrations on every page, and are available in both English and Spanish language editions. A short section at the back of each book offers related advice to parents. *Mi Hermano Tiene Autismo* is the Spanish-language version of *My Brother is Autistic*. It describes a condition that affects many families. Medical experts are just beginning to understand varying degrees of autism and its impact on both the autistic child and his family. This book describes an autistic child from his brother's point of view. It talks about ways autistic kids can be helped and how they can better relate to their family and surroundings.

## Customer Reviews

Una gran ayuda al tratar de explicarle a los hermanos menores el porque su hermano es diferente, en nuestro caso es Asperger pero el contenido se aplica perfectamente.

Excellent book, my son really understand what is happening to his young brother and is very cooperative and his trying to help us in everything.

Very good

Excellent
