Customer Reviews

I love this book! As a mom, it's a fantastic book to eventually read to our 10 month old son to teach him about football (even Mommy could learn a few new terms). As a teacher, I can use this book to illustrate non-fiction text features and draw more of my boys in!

We are going to have another Great Grandchild and it is going to be a "Boy". The mother to be has asked for shower guests to bring a book for the baby's bookcase. I live in Florida now and come from the Boston area and I know my Grandson will love this book. Well Done!!!!

Bought this for our little girl because we love the Patriots, and she loves her book!!! Great pictures and info :)

Adorable, cannot wait for the birth so I can gift sports crazy parents

Great book for my young grandson.
