# Strong's Concise Concordance And Vine's Concise Dictionary Of The Bible Two Bible Reference Classics In One Handy Volume

## Synopsis

A multi-purpose Bible study resource tool. All the essentials you need to study the biblical text without having to know Hebrew or Greek. Provides definition, explanation, and concordance entries. Dr. James Strong, formerly professor of exegetical theology at Drew Theological Seminary, spent more than thirty-five years preparing his landmark concordance. First published in 1890 with the help of more than one hundred colleagues, Strong's remains the definitive concordance compiled on the King James Version of the Bible. W. E. Vine, M.A. (1873-1949) was a classical scholar, skilled expositor, and a trustworthy theologian. Recognized internationally for his outstanding Greek scholarship, his Expository Dictionary of New Testament Words, first published in 1939, represents the fruit of his lifetime labors and is an unsurpassed classic in its field.

## Book Information

Hardcover: 1400 pages

Publisher: Thomas Nelson; 1 edition (July 15, 1999)

Language: English

ISBN-10: 0785242554

ISBN-13: 978-0785242550

Product Dimensions: 6.6 x 2.6 x 9.5 inches

Shipping Weight: 3 pounds (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars [See all reviews](#) (109 customer reviews)

Best Sellers Rank: #60,640 in Books (See Top 100 in Books) #7 in [Electronics > Office Electronics > Electronic Dictionaries, Thesauri & Translators > English Dictionaries](#) #8 in [Books > Christian Books & Bibles > Bible Study & Reference > Concordances](#) #21 in [Books > Christian Books & Bibles > Bible Study & Reference > Dictionaries & Encyclopedias](#)

## Customer Reviews

This is a CONCISE version of Strong's concordance and Vine's dictionary. The concordance portion is 749 pages long and the dictionary portion is 427 pages. Naturally, in terms of comprehensiveness, it can not compete with the exhaustive Strong's (1824 pages) or the complete Vine's (759 pages). It is also \$24.80 cheaper than the combined exhaustive works (as of January, 2009). Yes, some things were left out. Yes, there are more complete works out there. But for the person who is looking to enrich their every-day Bible time, this is a handy guide that won't throw out your back when you reach for it. If you are looking for an exhaustive guide - keep looking. However, if you purchase this book and are then disappointed that a 'concise' volume proves to be concise

and not exhaustive, please don't take it out on the book in the form of a poor rating. And please don't label all users of this book 'young students, beginners, not serious or uninterested in original Biblical language'. I applaud anyone who is dedicated to improving their Bible study time and think this is a great economical volume to have within reach.

Anyone who uses Strong's Concordance regularly has undoubtedly come to rely on the lexicons for a deeper understanding of the Holy Scriptures. This edition contains only the first part of Strong's, that is, the verse citations by keyword. This is a great volume for young students or for those who are not interested in the original languages of the books of the Holy Bible. Others would be better served by investing in the unabridged New Strong's Exhaustive Concordance of the Bible and a separate dictionary.

I'm disappointed that this product has only a 3.5 star rating. It's a concise reference, not an exhaustive end-all answer book to the Bible. Perhaps too many reviewers had unrealistic expectations. My only complaint is that the Greek and Hebrew letters aren't printed in the dictionary section, for further study. All in all, it is a good source to have alongside during personal study (but this thing is THICK, so I wouldn't recommend lugging it around to a Bible study or sermon).

This is exactly what I wanted to help with my own individual bible study as well as with my small group. I agree with the others who have offered their comments that there are more complete volumes out there for the extremely serious student of the bible, but this is perfect for the average church-goer studying at home.

For the beginner, this is a good reference to have. However, if you are serious and want all of the detail, then do not buy this version.

This is not the classic Strong's Concordance. While it is still an exhaustive concordance, it no longer contains the Strong's numbering system with the references. You cannot use this book to conduct a word study. If you are looking for the familiar Strong's, then this is not it.

I purchased this book for my Husband. He uses it daily. The only problem I have with it is the print is not in bold big letters. I guess I can chalk that up to old age eyes...lol I believe every Christian should have one of these concordance's.

The reason I do not like this book is that the words in the concordance are not all in the dictionary part of this book and that is most frustrating when you are looking up words of the bible to get the full meaning to understand the scriptures.
