# The Screwtape Letters Study Guide: A Bible Study On The C.S. Lewis Book The Screwtape Letters

## Synopsis

The Screwtape Letters Study Guide takes participants through a study of C.S. Lewis's classic, *The Screwtape Letters*. This Bible study digs deep into each letter from Screwtape, an undersecretary in the lowerarchy of Hell, to his incompetent nephew Wormwood a junior devil. Perfect for small group sessions this interactive workbook includes daily, individual study with a complete answer guide available online. Designed as a 12-week study, multiple week format options are also included. The Screwtape Letters Study Guide features: 12 Week Bible study with multiple week options included Interactive Workbook with daily study Study questions are ideal for group discussion Answers to all questions included online Ideal for small groups or individual study Endorsement Vermilye walks the reader through each Screwtape letter and wisely ask questions to bring out turns and twists in the thoughts and emotions that we each experience and that Lewis wanted us to recognize. Steven Urban PhD, Author of *Mere Christianity Study Guide* *The Screwtape Letters Study Guide* Categories: - Bible Study Workbook - Bible Study Lessons - Bible Study Course - CS Lewis Books - Apologetics

## Customer Reviews

The Screwtape Letters Study Guide is a great companion to C.S. Lewis' classic book. I am using the book and guide in our homeschool with my high school son. The insightful questions in the study guide are very helpful in expanding the discussions, and the scripture references add depth and anchor the discussions in the Word. This study guide has been wonderful addition to our studies this fall.

When my small group wanted to read and discuss *Screwtape Letters* I was very excited. But as I read the letters I found I needed some help in picking out the important parts. I found this guide on and have found it to be very helpful! It has helped focus my reading and does a good job of bringing in the Bible to show God's perspective of what *Screwtape* is trying to do. When it was my turn to lead it helped me come up with questions for the group. The only reason I did not give it a 5 is you have to go online to read the author's answers to his questions. This is easy enough to do - just would be easier if it were all in one guide.

Really great help for wading through Lewis' verbiage. I have thoroughly enjoyed reading *Screwtape Letters* numerous times. But I never got as much out of it as when I taught the book in a small group with the help of this Study Guide. It opened all kinds of new thoughts and understanding for me. Thanks so much. :)

This is a well-designed study guide. It brings in relevant Scripture. And the study questions are helpful and more than sufficient. What I like most is that each letter is addressed separately, so you can choose how many to do in any given week based upon the time and type of group you have. We are about to use it for a 16-week adult Sunday school class and are looking forward to it!

A friend and I are using this study guide to help us as we read through *Screwtape Letters*. It's a difficult book to digest, so we're hoping that the study guide will bring clarity where we have questions. I so appreciate that Alan provides an answer sheet, as well. That way, we can tell if what we're thinking and discussing are on track.

An excellent guide for Lewis' classic. For the leader of a Sunday School class, nothing better. We could have used a lot more time than we had but changes in lives can take place with something as potent as Lewis' writings. Clear, and to the point. Questions force people to think, especially when you have to write an answer! Terrific teaching tool.

The Sunday School class that I'm participating in is using this guide as a basic guide for the study of the letters. Our class has a number of teachers and retired teachers as well as successful businesspersons so the guide helps keep all of us on a level playing field and helps enliven the depth and breadth of our discussions and learning opportunities.

This is a great Bible study to do when reading CS Lewis's Screwtape Letters. My husband and I are doing this study and it is helping us grow closer to the Lord. The study makes you look at issues from a different perspective, read Scripture and challenges the reader about their beliefs. Highly recommend this Bible study.
