## Customer Reviews

I listen to this at night while I am sleeping. I turn the volume down low and put it in a CD player and let it play through the night or put on headsets. I press the repeat button so it can play continuously. The voice is very soothing and the background music is great. Your body sleeps at night, but your spirit is always awake! My spirit gets feed the medicine I need without any side effects!

I bought this CD after I was diagnosed with a stage 1b melanoma. I knew right away that I needed to have the Word of God being spoken over me declaring my healing. It has been such an encouragement to me. I listened to it every day, sometimes a couple of times a day, before I went in for surgery to remove a large portion of skin and to also have some lymph nodes removed and tested. I was very nervous and anxious about the surgery and listening to the Healing Scriptures spoken and declared on this CD really helped to calm my nerves, to help me to stand upon the Word of God for my healing, and to get my mind focused on the fact that God was and is in control. After the surgery, I have listened to the CD to confirm and declare the fact that I am healed in the Name of Jesus. A week after the surgery my doctor told me that the large amount of skin that was

removed from my inner thigh tested negative for melanoma and so did the 4 lymph nodes that were removed from my groin. Praise the Lord, I am cancer free!

This was a gift for a person who was terminally ill. The person died about two weeks later but this was a great tool for reminding them of God's promises. They may not have gotten healed physically but SPIRITUALLY they received their healing.

Man's voice is clear, calm and read at a nice slow speed..very comforting to listen to...I thought it was going to have a little music in the background, but there is no music. Still, it is nice to listen to.

It's everything I hoped it would be: uplifting, inspirational, faith-building and inclusive of many of the most famous healing scriptures. No distracting music, just the word of God! I feel better already!

I love it ! I play it almost every day! it is very peaceful! Thank you !! Thank You! no dislikes

These Healing Scripture CD is an excellent source of encouragement for people who are standing in agreement with the Word of God for their healing. I have sent several of these to individuals who were too sick to read the bible, so they could just listen to the Word and build up their faith.

once I ordered 10 of these and gave a lot of them away. I listen to it now in the car to remember the healing scriptures. my son was healed from cancer largely because I read the scriptures to him which increased my faith. faith comes from hearing Romans 10:17.
