Customer Reviews

Not what I expected.The description of this says: 'The light from a low sun stretches across the water while a majestic eagle glides above'....If this is an Eagle I'll Eat My Hat! - It's an unidentified bird with a long bill - not so noticeable until you actually see it in person and then Wow - Obviously Not An Eagle. The color is also not what I expected. My computer shows the bulletin to have a lot Purple but the actual bulletins I received are very Brown/Red/Orange/ in color - Not even a hint of purple. Not happy with this and will not order again.

Impressive design that lets me know some thought was really put into this. Out congregation just loves this template, and it works well with our laser printer to provide multiple copies to out church people. We will reorder these again without a second thought. The price is very competive and we love the shipping to the door so we do not have to get out and shop for these. Keep up the good work!

The price and the message attracted me. The stock is adequate. I can almost see the typing

through through the back of the bulletin, but the average user will not notice it. I'm very happy with the bulletin and I'll be buying more.
