Customer Reviews

I bought this book for every member of a Bible class that I am teaching, for women new to the Christian faith. They wanted to study the Scriptures but were intimidated by going through them alone. This study was more than I can ask for. It asks thoughtful questions that cause one to pause and consider the Scripture before moving on. It even has a leader's guide in the back of the book. For the price and the content, this book is great. Don't expect long expositions on the passages, just catalyst questions that make the reader apply the meaning of the Word to everyday life. Great for discussion oriented small groups or personal study. Buy this book for every member of the group, because everyone needs their own personal copies. Great Job, Mr. Connelly!

Easy to use. Easy to follow. Good insights to be learned. Would look for others by Douglas Connelly. Many good topics available from LifeGuide Bible Studies.

Highly recommend, These are small, easy to manage lessons that dig deep. If you want a Bible study that will leave you thinking, this is the one for you.

It has been a very good bible study. a lot of information and good questions.

I BOUGHT THIS BOOK FOR A CLASS IN MY MEN'S GROUP AT CHURCH. IT STATED THAT IT WAS USED AND MIGHT HAVE SOME WRITING IN IT. THAT WAS OK WITH ME I THOUGHT MAYBE I COULD GET SOMEONE ELSE'S PERSPECTIVE AND LEARN FROM IT. WELL WHEN I RECEIVED MY BOOK IT IS JUST LIKE NEW WITHOUT A SINGLE MARK OR EVEN PAGE CREASE. VERY GOOD BUY AS USUAL WITH . SO FAR ANYWAY ?.

In depth, and makes you think about the readings. Our care group loves this study. We highly recommend this book.

I have used Lifeguide Bible Studies for about 10 years now. They are excellent tools for group bible studies and they have a broad selection.

I am the leader of a women's small growth group bible study. I have used many books over the years with different groups. I have become real picky about the materials that I chose to teach from. This book has very brief lessons and so I plan to use two at a time. I also think that I may need to augment the book, but then I don't mind that at all. It just makes me know my material better and have it relate better to my particular group. I have not quite finished the book that we are in now, so I have not taught yet from John: The Way to True Life but it looks interesting and we all are looking forward to it.
