40 Days For Life: Discover What God Has Done...Imagine What He Can Do

Synopsis

As America marks the 40th anniversary of the Roe v. Wade Supreme Court decision this year, abortion has become the leading cause of death in our nation and worldwide, ending the lives of more than 42 million children each year and harming millions of women and men. In the midst of this global crisis, there is new hope. Beginning with one hour of prayer in Texas in 2004, the groundbreaking 40 Days for Life movement of prayer and fasting, peaceful vigils, and community outreach has mobilized more than half a million volunteers in 481 cities around the world. Nearly 7,000 babies have been spared from abortion. 75 abortion workers have had a change of heart and quit their jobs. 25 abortion centers have closed. And every baby, every changed heart, every closure is an amazing story. This book contains forty of those stories: Hearts changed on the most controversial issue in our culture Babies and mothers spared from abortion at the last possible second Shocking secrets from inside the abortion industry revealed Abortion workers experiencing a change of heart and quitting their jobs Thriving abortion facilities shutting down for good There have been 11 coordinated 40 Days for Life campaigns since 2007. These efforts have mobilized people of faith and conscience across all 50 of the United States, Canada, Australia, England, Ireland, Northern Ireland, Argentina, Armenia, Belize, Denmark, Georgia, Germany, Poland, Puerto Rico, Spain and Uganda.

Customer Reviews

It's difficult to give a completely unbiased review of this book. The first time I participated in any pro-life activity was when I prayed for an end to abortion in front of a Planned Parenthood abortion facility in my hometown of Spokane, Washington four years ago during a 40 Days for Life campaign.

A year later, my wife and I volunteered to coordinate 40 Days for Life campaigns in Spokane. I've witnessed much of the growth of this amazing, life-saving movement. Along the way, I've read e-mail messages and heard bits and pieces from other campaign leaders detailing some of the incredible stories included in this book. I thought I knew pretty much everything there was to know about the history, anecdotes, and marvelous things God has done through 40 Days for Life. Boy was I wrong! I can honestly say that in each and every chapter, I learned something new and gained some greater insight. More importantly, I came away with a whole new appreciation for the miracle--and I don't use that word lightly--of 40 Days for Life. I came away inspired as though I were just hearing about 40 Days for Life for the first time. I came away with a renewed passion for speaking up for the unborn--for those who cannot speak up for themselves. The topic of abortion might seem like a horribly dry or depressing subject for a book. While it's clear the authors, and all those involved with 40 Days for Life, take their work seriously, they are joy-filled people, and that comes through in their writing. The book is an easy read, sprinkled liberally with humor, but also includes plenty of stories that will bring a lump to your throat or a tear to your eye. I certainly experienced a wide range of emotions as I read through my review copy. So, who should buy this book?
