The Very Good Gospel: How Everything Wrong Can Be Made Right

Synopsis

God once declared everything in the world to be good. Can you imagine it? A Vision of Hope for a Broken World Shalom is what God declared. Shalom is what the Kingdom of God looks like. Shalom is when all people have enough. It is when families are healed. It is when churches, schools, and public policies protect human dignity. Shalom is when the image of God is recognized in every single human. Shalom is our calling as followers of Jesus' gospel. It is the vision God set forth in the Garden and the restoration God desires for every relationship. What can we do to bring shalom to our nations, our communities, and our souls? Through a careful exploration of biblical text, particularly the first three chapters of Genesis, Lisa Sharon Harper shows us what "every good" can look like today, even after the Fall. Because despite our anxious minds, despite division and threats of violence, God's vision remains: Wholeness for a hurting world. Peace for a fearful soul. Shalom.

Customer Reviews

I loved this book! It was a breath of fresh air. I was impressed by Harper's writing style that draws the reader into the unfolding story. Usually this is not the case with a book of this kind and I was pleasantly surprised. This book also has a depth to it that was unexpected as well. Harper touches on tough subjects, and unfortunately things we often don't think about. I enjoyed how Harper sprinkles her personal story throughout the book. She shares her hurts and struggles and how she had to find her own shalom with God. From the shalom offered by God to humanity in Genesis, through the wreckage of the fall, and forward to Jesus' "every good" gospel,

Harper mirrors scripture's long narrative with contextual family drama, including information about her third great-grandmother who was the last adult slave in [Harper's] family. In an engaging accessible voice, she interweaves the provocative history of 19th-century evangelical movements, 20th-century social gospel and civil rights movements, and the 21st-century Black Lives Matter movement with her own testimony of coming to Christ and her varied experiences as a follower of Jesus. Harper provides detailed history, statistics, and vibrant stories that reveal the possibility of cultures redemption. The reader will be exposed and brought to a very good gospel, which sets free those who are broken, economically poor, abused, ashamed, and oppressed. Built on a foundation of solid biblical study, Harper provides a vital, effective contribution to understanding redemption of cultural issues we face today. Grab a copy and begin to envision the world as God created and described it Very Good and how we can partner with Him in his redemptive and restorative work.
