I bought this for my 9 yr old granddaughter for her birthday. She was really happy with it. It is really a very pretty bible and the print is a good reading size. She carries it to Sunday School with her every Sunday.

Great Bible for my 10 year old. Easy to read and good referencing for questions / answers. He likes it and so do I.

It is extremely difficult to find "Red Letter" editions of the Bible today...especially in a children's Bible. This one was one of the few I could find. I wish it had a better Concordance in the back, but it is a nice starter Bible for a 9 year old. Nice size book and print.

My daughter really loves this Bible...it's not as big or heavy as the large print one she had before, but the font is a really nice readable size. I went to a brick and mortar store and looked at a bunch of the Bibles of a similar type, and was really disappointed that most of the ones for kids (particularly the backpack and gift Bibles) had really small type or really thin pages that would make the reading experience much more difficult for the younger reader. I also really like that it doesn't have all those corny devotional features that can be a distraction for a kid.

I am not a kid anymore but I loved the color/design on this Bible. It was even more pretty once it arrived!The print is large enough to read with ease. Good font. I LOVE IT!!!! :)

Very nice Bible for kids! I got it for both of my granddaughters at age 8 and 10. I also got them the Daily Devotions so they can read a little every day and then research that in their Bible. Easy to carry and the font is a little bigger for them! They love it!

I was a little disappointed. Being that it was aimed at kids, and because of the way some of it was described, I thought this was more of a study bible aimed at kids. All it is is an NV bible with a purple cover. I really wanted an NLT, but couldn't find a study bible that seemed appropriate for my nine year old daughter. However, as soon as I opened the box and she saw it she fell in love, so she gets it. There's nothing wrong with the bible itself, just know that it's a normal NV bible with a purple cover.

This was not a "Kids" Bible at all! The only thing that makes it a "Kids" Bible is that it is velvety and girly on the outside. Otherwise, there was nothing any different than a regular adult Bible. Will be sending it back.
