Calamity (The Reckoners)

Synopsis

Order the sequel to the #1 New York Times bestselling novel Firefight today! From the bestselling author of the Mistborn series and Words of Radiance comes Calamity, the final book in the #1 New York Times bestselling Reckoners series: Steelheart, Firefight, and Calamity. When Calamity lit up the sky, the Epics were born. David's fate has been tied to their villainy ever since that historic night. Steelheart killed his father. Firefight stole his heart. And now Regalia has turned his closest ally into a dangerous enemy. David knew Prof's secret, and kept it even when Prof struggled to control the effects of his Epic powers. But facing Obliteration in Babilar was too much. Once the Reckoners' leader, Prof has now embraced his Epic destiny. He's disappeared into those murky shadows of menace Epics are infamous for the world over, and everyone knows there's no turning back. . . . But everyone is wrong. Redemption is possible for Epics. Megan proved it. They're not lost. Not completely. And David is just about crazy enough to face down the most powerful High Epic of all to get his friend back. Or die trying. Praise for the Reckoners Series: #1 New York Times Bestselling Series "The suspense is relentless and the climax explosive." James Dashner, #1 New York Times bestselling author of the Maze Runner series "Another win for Sanderson . . . he's simply a brilliant writer. Period." Patrick Rothfuss, author of the New York Times and USA Today bestseller The Name of the Wind "Action-packed." EW.com "Compelling. . . . Sanderson uses plot twists that he teases enough for readers to pick up on to distract from the more dramatic reveals he has in store." The A.V. Club

Customer Reviews

Yesterday, when "Calamity" arrived in the mail I promised myself that I would be in control and only read it after I finished my work and school assignments however as soon as I picked it up to "read just a few pages" I knew that I had made a fickle promise that couldn't be kept. Not only did this book meet my expectations, but very much surpassed them in nearly every way. If you've read the first two books in the "Reckoners" series you are probably already a fan. . . if you haven't yet. . .stop reading this review immediately and head to the nearest local library or make an investment and buy the whole trilogy on .Not everyone likes superhero/antihero books. . . but this isn't just one of those. Brandon's Sanderson's books are about as far from cookie-cutter stories as you can get and "Calamity" really has a little something for everyone. Action, spy skills, drama, romance, and a compelling story-line. This, the final book in the trilogy, brings back all of our favorite characters from the first two books, and introduces a few new ones as well. Although we see some of the comedic humor and banter that we saw in the first two books, the tone is fairly dark as David, Megan, Cody and Abraham work to save a good person from the madness he's experiencing and the atrocities that he's committing while under the influence of Calamity. I'll freely admit that I am not the best at sleuthing out surprises and twists before they happen, but I honestly was taken for a wild ride as I was caught off guard time and time again by the intricate twists that Brandon Sanderson wove into the story.
