## Customer Reviews

Little Miss Tidy is a funny character, she is our daughter's favorite! We love British children's literature and the Little Miss and Mr. Men books are no exception. Great story lengths for our almost 3 year old, and more importantly, good morals.

Yes, you can find this information in the product dimensions, but unless you've ordered a bunch of these Little Miss books for a collection only to find that some are the larger book and some are the smaller book, you probably would not think to check the dimensions first. My daughter loves all the Little Miss books. This size is nice because she can carry it around in her bag easily.

My daughter loves these books. They are cute but also try to teach a life lesson. Great for kindergarten reading.

My 4 year old loves these stories. I used to love them as a child and still get a nostalgic feeling when I read them with him.

Wonderful little stories. These books are still great even 30 years later.

Cute little book! I remember reading to my daughters.

very entertaining for 3-6 years old
