# It's Good To Be Queen: Becoming As Bold, Gracious, And Wise As The Queen Of Sheba

## Synopsis

Sheba Journeyed Across the Desert with a Caravan of Riches, Only to Find the Greatest Treasure of Them All. So Can You. When it comes to famous queens of the Bible, we know the good one, Queen Esther, and the bad one, Queen Jezebel. Now meet the wise one, the queen of Sheba, who traveled to Jerusalem to test the mind and heart of a king. Her quest for wisdom will surprise you, challenge you, inspire you, change you. This wealthy royal from antiquity will show you how to live boldly, seek after truth, ask the right questions, encourage others, receive graciously, and honor the Lord above all. Shedding new light on this ancient biblical role model, Liz Curtis Higgs unveils timeless wisdom for all who aspire to please the king of Kings.

Becoming as Bold, Gracious, and Wise as the Queen of Sheba This is a very interesting book about the Queen of Sheba and her visit to Solomon. Liz takes the story straight from the Bible. There is no romance read into it between the Queen of Sheba and King Solomon like many movies and books can portray. Just a few verses from I Kings 10 and there is so much to glean from it. Liz has 10 chapters and I'm just going to copy her list at the back of her book as an idea of what each chapter is about and what the Queen of Sheba can teach us today: Be bold and take frequent leaps of faith. Be open to whatever God has prepared for you. Seek wise counsel from trustworthy sources. Be humbled, trusting Him to lift you up. Be honest with God, with yourself, with others. Encourage everyone who crosses your path. Praise God in all things and in every season. Give generously, with

open hands and heart Receive graciously, to honor God and the giver End well by loving well all the days of your life There is much good advice held in the pages of these books. I don't mind giving if it doesn't cost me too much and I don't mind receiving if I think I deserve it. So, I think I have a lot to learn here. Becoming an encourager is another area I would like to learn to do better in. I want to make the world better for those around me because of the words I say or the way I live. I really enjoyed this book. It is written in simple language and is easy to understand and the concepts aren't so deep that I can barely grasp it. I will say after the last two books I read this one felt like a breath of fresh air, but maybe it should have stomped on my toes harder than it.
