## Customer Reviews

This is the best audio version of Bible stories we have ever heard. Our whole family- kids and adults- enjoy listening to it. I'm looking forward to ordering the New Testament next.

My kids love listening to this and even request it in the car. It is entertaining and informative. The

narrator has a pleasant voice. Our family highly recommends it. It is well worth the price to have our kids learning the Bible on the go. We look forward to purchasing the New Testament version as well.

We bought the Audible version and are using it for homeschooling our children. It is a fantastic resource, thorough and interesting for all ages! Can't recommend it enough!

The whole family loved listening to this and the kids got so much out of it.

From the start this work has its doctrinal issues. It elevates the church as infallible (Catholic) and denies the creation of 6 literal days. This product is for Catholics who have a low view of the Holy Scriptures. Not for the Christian Church at large. Sad.
